

Naif interview for social engineering and seduced , 1st by female then by male,
behavior more imp than product or whatever
boss comes in at end and while naif complains as to soreness
lectures , a mix of bullshit and nails-realism, giru etc
...all authority in one

yes your ass is sore and your strained dick either drips or can't--
this is nothing -- don't whine -- believe in God

It happend so fast. both times

Speedy Gonaliz right. but more generic name in pc climate
Male ?: have your ever been in a bathtub with a man.
You must learn to dance without music
Try to remember.
No. Do you have evidence

Consolidated 1 and 2 -- he can never figure who hired him

The world of allusions--giru fires them like hail of nails

comedy is the moderate moderator inadequate to the argument --
giru to say i comp burnet things
inserted file: L.A.

The Scream Factory
we must have panel discussions and experts BEFORE riots

los angeles riots but with sociology,
panel discussions, lectures etc 1st,
redneck vp too

debate 1st where all make statements
and others attack

--want positive end--it's all there in the simplest terms
in all the religions

??????????????

suggest he be transvestite
